

Weddings at The Address Citywest

THE
ADDRESS
CITYWEST

together is a special place to be.

Congratulations and welcome to The Lodge @ The Address Citywest

As you embark on this exciting journey of planning your wedding day, let our Address become yours for this very special time in your life. Our dedicated wedding team is on hand to help you create a day that is as unique as you are.

The Lodge offers a very special venue for a very special day, a two-storey, circa 300-year-old Georgian building than has been re-designed into a stunning Wedding venue in sympathy with the beautiful style and heritage of its time. This was once home to the Irish tenor Josef Locke whose name and creativity lives on in the inspiration for this unique Wedding venue. There is also a Secret Garden where your guests can enjoy arrival drinks on the manicured lawns.

Great Weddings need a great venue.

Take those first step as a married couple into The Kingwood Suite, our purpose designed dining room for your Wedding Reception in The Lodge. The room has features akin to that of a New York Loft, with its exposed brick walls, wooden ceiling beams, and floor to ceiling windows where old world heritage meets new world luxury.

These first steps are an experience that will stay with you forever as you fondly remember a dining room filled with natural daylight, beautiful decorations, ornate floral arrangements, mood lighting and the smiling faces of your loved ones as you pass through them.

Civil Ceremony @ The Lodge

Many of our guests choose to host their Civil Ceremony within the hotel, The Lodge offers the perfect choice of rooms and spaces where your guests move through your memorable day with ease and excitement. Elegance and refinement are the first impressions your guest will take away, when they arrive at your civil ceremony in the Drawing Room. A beautiful intimate setting for up to 35 guests.

Intimate Weddings Big Table Experiences

Creating weddings that are as unique as you are, is something close to our hearts at The Address Citywest. For many couples, their dream day is an intimate occasion that they wish to share with a smaller number of close friends and family. There is something very special about these days in The Lodge where the occasion can be even more tailored to a couple's vision or their big day and enabling them to spend more time with their guests. We specialise in intimate weddings and our Lodge provides the perfect venue for 10 to 30 wedding guests. We focus on decorating the room and we offer a range of table settings including our Big Table Experience which offers a vintage style table set up, decorated beautifully with attention to every detail.

Pre & Post Wedding Celebrations

The days before and after your wedding day can be a very special time. It can be an opportunity to bring your closest family and friends together for an intimate dinner party in the Lodge, or an elegant barbecue on the terrace overlooking our beautifully manicured gardens.

For more information just ask your dedicated wedding coordinator.

With our compliments:
