CITYWEST

Let's
meet here?

**Excellence has
a new Address**

The Lodge

unique | intimate | vintage | rustic

This is something very special, a two-storey, circa 300-year-old Georgian building that has been re-designed in sympathy with the beautiful style and heritage of its time. This was once home to the Irish tenor Josef Locke whose name and creativity lives on in the inspiration for this event space.

Each room of the house has been tastefully curated as a unique event space, going beyond all modern in-room technologies that you expect, these rooms have a functioning fireplace to add real atmosphere to any event.

There are 6 event spaces in the house that accommodate up to 120 delegates, outside The Lodge is a Secret Garden where outdoor events can be enjoyed all year round.
